Dear Harold,

Here is what I have come up with so far on Radio TV Reports Inc.

Radio TV Reports, 1723 W. Howard, Evanston, Ill. (Phone book) Howard St. is the northern boundary of Chicago with Evanston on the other side of the street. I haven't been to this building yet, but I will scout it this week. It is down the block from the 113th Military Intelligence Group (MIG) at 2231 Howard, Evanston. This is where John O'Brien worked out of when he allegedly spied on Kerner, Stevenson, Jessie Jackson, etc al.

"Certified List of Domestic and Foreign Corporations/1969" printed by the Secretary of State's Office of Illinois (then Paul Powell) lists Registered Agent.....CT Corporation System
208 S. LaSalle, Chicago, 60604
President.....David Fins, 105 Voorhis Ave., Rockville Center N.Y.

Radio TV Reports Inc

Secretary.....Hilda Fins, (same address)

Same book lists CT Corporation System:

Registered Agent.....Russell C Edwards
208 S. LaSalle, Chicago, 60604

President.....Oakleigh B. Thorne, Millbrook, N.Y.

Secretary.....Ralph Crews, Locust Lane, Glen Head, N.Y.

We have no clippings on any of these names. The only CT Corp. clips we have seem to indicate that it is a professional front group for various companies which need an agent in Illinois, as you can see by the two Xerox pages inclosed. Note that the officers of some of their companies are in Rockville Centre, N.Y. and Nashville.

I'll have my man in Springfield check Sec. of State's office for incorporation papers on Radio TV Reports. Would appreciate hearing anything you learn.

Regards,

Finley
